Date: 16<sup>th</sup> September 2024

Dear Parents and Carers,

**Re: Vaccination UK – Flu Vaccines (School Nursing)**

Vaccination UK will be attending our school on Monday 21<sup>st</sup> October 2024, to deliver the Nasal Flu Spray or IM alternative (porcine free injection). This is being offered to all children from Reception – Year 6.

Vaccination UK are commissioned by the NHS to provide child immunisation in schools. This year, the time frame in which the flu vaccination programme can be delivered, has been reduced to ensure that children and young people are vaccinated by Christmas; hopefully reducing the chance of flu circulating in the community.

Please complete the online consent form below, by no later than Monday 14<sup>th</sup> October 2024 , **to state whether you wish to consent or decline the vaccination** [Vaccination UK Immunisation 2024](#)

It is important that this form is completed, even if you do not wish for your child to receive the immunisation. Failure to complete the consent form prior to the above deadline, may result in your child missing their flu immunisation this year. Vaccination UK cannot guarantee that you will be contacted by their team to obtain consent.

Please note that if you have submitted consent via the online form but take your child to an alternative location to have the flu immunisation, it is your responsibility to let the Vaccination Team know immediately, as they do not get notified automatically. To do this, or for further information and support, please contact Vaccination UK direct via telephone on 01902 200 077 or via email on [wolverhampton@vaccinationuk.co.uk](mailto:wolverhampton@vaccinationuk.co.uk)

Yours sincerely,

Mrs S. Walker  
**Headteacher**
