Governors Statutory Responsibilities and Functions

The core functions of the governing body are but are not limited to ensuring:

- that the vision, ethos and strategic direction of the school are clearly defined
- that the headteacher performs their responsibilities for the educational performance of the school
- the sound, proper and effective use of the school's financial resources

A governing body and its governors **must**, as required by [The School Governance \(Roles, Procedures and Allowances\) \(England\) Regulations 2013, regulation 6\(2\)](#):

- act with integrity, objectivity and honesty and in the best interests of the school
- be open about the decisions they make and the actions they take and shall be prepared to explain their decisions and actions to interested parties

The governing body also has legislative responsibility and strategic oversight for the school's safeguarding arrangements.

Governance Guide

Please refer to the Governance Guide published by the Department for Education. The latest versions are available online below:

Review of committees and delegation

The governing board must review the committee structure, terms of reference for each committee and the membership of each committee on an annual basis.

Terms of Reference

The following committees established by the governing board comply with The School Governance (Role, Procedures and Allowances) (England) Regulations 2013.

The head teacher/principal can attend all meetings of any committee established by the governing board but in some instances, this may only be in an advisory capacity. When an

issue is being discussed which directly affects the head teacher/principal they must, as with any other governor in a similar position, declare an interest and physically withdraw from the meeting.

In maintained schools the quorum for a meeting of the full governing board and for any vote on any matter at such meeting, is one half (rounded up to a whole number) of the membership of the governing board at the time of the meeting **not including any vacant positions**. In the event of equal votes, the chair has the casting vote.

Virtual meeting arrangements

The Governing Board has approved the use of “virtual attendance” at meetings (approved at FGB meeting on (9th September 2024).

For full details, please refer to the Virtual Governance Policy.

Committees

The legal minimum quorum for committee meetings is three voting governors. The quorum for committees will not include associate members – despite any voting rights they may have been given – as they aren’t considered to be members of the governing board.

The appointed governance professional will undertake the clerking of the committees.

The committee minutes shall be included as an agenda item for consideration/information at the next meeting of the full governing board where appropriate.

All decisions made by committees with delegated powers should be reported to the next full meeting of the governing board. If the minutes are not finalised a brief statement of the conclusions reached should be given.

The chair of the committee will be appointed at the first full governing board/committee meeting of the academic year. Governors who are employed by the school are not eligible to be appointed as chair.

Committees will have delegated powers to approve policies as relevant to that committee.

The governing board cannot delegate any functions relating to:

- The constitution of the governing board (unless otherwise provided by the constitution regulations),
- The appointment or removal of the chair and vice chair/clerk,
- The appointment or removal of governors,
- The suspension of governors,
- The delegation of functions and establishment of committees,
- Change of school name or status,
- Salary range for the head teacher/principal & deputy/vice principal.

Associate Members

In maintained schools the governing board can appoint associate members to serve on one or more committees of the board. Associate members can attend full board meetings but may be excluded from any part of a meeting where the business being considered concerns

a member of school staff or an individual pupil. They can be appointed for a period of between one and four years and can be re-appointed at the end of their term. Associate members are not governors, and they are not recorded in the instrument of government *(Extracted from the Maintained Schools Governance Guide, Governance Structures, types of governors 5.3.5).*

NB: Associate members are not governors and therefore do not have a vote in full governing board decisions but may be given a vote on decisions made by committees to which they are appointed.
